Enhance base functions through app controls

## PRODUCT FEATURES

### 4"-Profile Base with Wallhugger® Technology

Keeps your nightstand within reach.

### Head and Foot Articulation with Automatic Pillow Tilt

Full-range adjustment provides ultimate comfort.

### Lumbar Feature

Provides adjustable lumbar support for any mattress.

### Capacitive-Touch Remote with Safety Lock Feature

This technologically advanced remote responds with perfect precision and includes a safety lock feature for peace of mind.

### App Download for Apple and Android Devices

Advanced features like a sleep timer and gentle-wake alarm are included through the free app.

### Full-Body Dual Massage with Wave

Rejuvenate after a long day with a relaxing head-to-toe massage that soothes your cares away.

### Multiple Custom Programmable Positions

Store 2 of your favorite positions on the remote and 4 through the app for immediate personalized comfort.

### Flat Button and Snore Button

Easily return the base to flat with the touch of a button, or program with press-and-hold for safety. Quickly elevate the head of the base 7° to open up airways

### Under-Bed Light

Under-bed lighting provides both ambience and functionality.

### Adjustable Legs

Heavy-duty 2½"-diameter legs easily adjust from 6" to 10" for a perfect fit.

### Power-Down

In the event power is lost, a battery backup returns the base to flat.

### MicroHook™

Our exclusive mattress retention system eliminates the need for a mattress retainer bar – providing a sleeker, more modern look.

### Sync Cable

Included with split sizes, the sync cable allows bases to raise and lower simultaneously.

Available in the following sizes: Twin, Twin XL, Full, Full XL, Queen, King, and California King
