

SIMPLICITY HFPS 2.0

ADJUSTABLE BASE

Simplicity HFPS 2.0 is a high-value, feature-focused adjustable base from Leggett & Platt. Its foldable, zero clearance design features head and foot articulation with added pillow tilt so the user can find the exact comfort position that suits them best. Simplicity HFPS 2.0 also includes a massage feature, dual USB charging ports, programmable memory positions, and the option to control the base through an app or the remote. This base is compatible with most platform and slat beds and is parcel carrier-friendly for convenient shipping.
