PRODUCT FEATURES

4"-Profile Base with Wallhugger[®] Technology

Keeps your nightstand within easy reach.

Head and Foot Articulation

Effortlessly raise the head or foot to find ultimate comfort.

850-lb. Lift Capacity

This high-performance base easily lifts up to 850 lbs. total maximum weight, including mattress.

Back-Lit Wireless Remote with Safety Lock Feature

Place this freestanding remote on your nightstand for easy access and use the safety lock feature for peace of mind.

Full-Body Dual Massage with Wave

Rejuvenate after a long day with a relaxing head-to-toe massage that soothes your cares away.

Zero Gravity Button Plus Two Custom Programmable Positions

Relieve pressure points with weightless Zero Gravity or find personalized comfort by storing two of your favorite positions.

Flat Button and Snore Button

Easily return the base to flat with the touch of a button, or program with press-and-hold for safety. Quickly elevate the head of the base 7° to open up airways.

Under-Bed Light

Under-bed lighting provides both ambience and functionality.

Adjustable Legs

Heavy-duty 2½"-diameter legs easily adjust from 6" to 10" for a perfect fit.

Power-Down

In the event power is lost, a battery backup returns the base to flat.

MicroHook™

Our exclusive mattress retention system eliminates the need for a mattress retainer bar, providing a sleeker, more modern look.

Wireless Syncing

No sync cable required for split sizes.

Available in the following sizes: Twin, Twin XL, Full, Full XL, Queen, Split Queen, and Split California King

USB Ports

Under-Bed Light

Dual Massage with Wave
