Slim-Profile Foundation-Style Base – The low-profile design is specially engineered for platform beds with footboard drawer units.

Head and Foot Articulation or Simultaneous Movement – Effortlessly raise the head, foot, or both simultaneously to find your perfect relaxation position.

850-lb. Lift Capacity – This high-performance base easily lifts up to 850 lbs. total maximum weight, including the mattress.

Back-Lit Wireless Remote – The technologically advanced wireless remote allows you to effortlessly raise the head and foot with the touch of a button and lights up for easy use in the dark.

MicroHook™ – Our exclusive mattress retention system eliminates the need for a mattress retainer bar, providing a sleeker, more modern look.

Available in the following sizes: Twin XL, Queen, King, and Split California King.
